

# Buchanan High School Volleyball

1560 N. Minnewawa Avenue Clovis, CA. 93619

Dear Community Member,

Buchanan Girls Volleyball is gearing up for another year of developing young student athletes. Our program is not only dedicated to training athletes to play the game of volleyball at the highest level but also to develop strong character and life skills that will last a lifetime.

Our annual dinner auction fundraiser will be held on September 17th, 2022. Our dinner attracts over two hundred and fifty supporters that bid on silent and live auction items. This is a wonderful opportunity to support our program and advertise your business. All donations are tax deductible. We greatly appreciate any item or gift certificate you can donate. All donors will be listed at the event, with your business information seen by all attending. Funds raised help pay for uniforms, equipment, tournament fees, and travel.

Thank you so much for your consideration,

John Jay

Director of Sport, Buchanan High School Girls and Boys Volleyball
